

Certified Online Professional Development Course

Supporting Social and Emotional Development

Social and Emotional Development

Ann S. Epstein, PhD

Promoting personal and social development in early childhood care and education.

In this course you will learn how positive interactions with adults can support children as they develop a sense of self and learn to relate to others and the individual Key Developmental Indicators associated with Social and Emotional Development.

Supporting Executive Functioning in Preschool

What is Executive Functioning?

It is a set of skills that enable us to use multiple functions at the same time such as working memory, resist impulses (such as negative behaviours or unwelcome comments), and mental flexibility (such as switching from one task to another or to complete tasks in order of priority).
