

ECCE PROGRAMME CHILD PRE-REGISTRATION FORM

PLEASE READ CAREFULLY

The Early Childhood Care & Education (ECCE) Programme provides free preschool for children in the year(s) before they start primary school. In a limited number of circumstances where a child is over the eligible ECCE age range, an exemption in writing from the Department of Children, Equality, Disability, Integration and Youth (DCEDIY) may be provided for children with additional needs. Please inform your approved provider if you have received such an exemption. Please read the DCEDIY Letter to Parents/Guardians which your approved provider should have provided to you.

If you are enrolling your child in the ECCE Programme for the preschool year 2023/2024 you should complete this form entering the home address including Eircode and the name, date of birth, and PPS number of the child. **All fields are mandatory.**

You should then return the form to the approved provider. The approved provider will submit the information provided on this document to register your child for the ECCE Programme on the Early Years Platform (EY HIVE). Once the information is submitted on the EY HIVE, you will be required to sign a Parent Statement and Applicant Declaration Form.

The approved provider will not retain this document for Data Protection purposes.

For ECCE registrations from 3 July 2023 to the end of the ECCE preschool year the child must have been born between 1 January 2019 and 31 December 2020 inclusive.

Please note that on the EY HIVE, ECCE enrolments start on a Monday and end on a Friday.
