

Invitation to employers

'Bienvenidos a Irlanda 2023'

Career opportunities in Hospitality and Childcare

10th October 2023

EURES Ireland in the Department of Social Protection together with EURES Spain/ Servicio Público de Empleo Estatal will be holding an Irish Recruitment Fair (onsite and online) in Malaga on the 10th of October 2023. This is a great opportunity for employers recruiting in the Hospitality and Childcare sectors with skills shortages in Ireland to promote their job opportunities in Spain and throughout the EU.

The online event will be hosted on the EOJD portal [Bienvenidos a Irlanda 2023 | EURES - European Job Days](#)

Through the website and its interactive elements, jobseekers will be able to apply for jobs and book job interviews in advance of the event. A range of recruitment services will be available to employers, including publishing vacancies on the event's website, automatic matching and interview scheduling. On the 10th of October the event will go live with the broadcasting of information presentations, online and onsite interviews and online public & private chats.

For employers who are interested in travelling to Spain and hosting live interviews we offer the opportunity of attending the onsite recruitment event in Malaga. Exhibition space (stands and interview facilities) will be provided to employers free of charge. Employers will need to cover their own cost of flights and accommodation. We will assist with organization of travel arrangements if required.
